UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

CASCADE YARNS, INC., a Washington  
corporation,

Plaintiff,

v.

KNITTING FEVER, INC., a New York  
corporation, et al.,

Defendants.

CASE NO. C10-861RSM

ORDER ON MOTION TO COMPEL

This matter is before the Court for consideration of a Local Rule CR expedited motion to compel filed December 1, 2011. Dkt. # 400. The Court notes that defendant KFI did not participate in the filing of this motion as contemplated by Local Rule CR 37(a)(1)(B). Further, in reviewing defendant KFI's response to the motion to seal various exhibits filed in support of this motion, the Court finds the statement that this motion was filed without KFI's consent. KFI's Response to Motion to Seal, Dkt. # 410, p. 2. The expedited procedure set forth in the local rules may only be utilized by agreement of the parties. Local Rule CR 37(a)(1)(B). As defendant KFI did not agree to this procedure for this motion (Dkt. # 400), it is accordingly STRICKEN as improper.

DATED this 23 day of December 2011.

RICARDO S. MARTINEZ  
UNITED STATES DISTRICT JUDGE
