**Note On Motion Calendar:

I, Robert J. Guite, declare as follows:

1. I am an attorney, admitted to practice before all of the courts of the State of Washington and this court, and am Of Counsel at Squire, Sanders & Dempsey L.L.P., counsel of record for Plaintiff Cascade Yarns, Inc. ("Cascade") in this action. This declaration is based on my personal knowledge and, if called on to do so, I would and could testify competently as to the matters set forth herein.

EXHIBIT A

Knitting Fever INC (KFI) had its humble beginnings in 1974 when Sion Elalouf opened his first needlepoint and knitting store in Great Neck, New York. He was inspired by the beautiful and exotic nature of European and Japanese yarns and by the great textile artists he met.

In the early 80s KFI gave up the retail business to focus on bringing these specialty yarns and fabulous designers to retailers across the USA. Over the past decades KFI supplied the nation with the highest quality yarn lines supported by the greatest designers the industry has seen to date.

KFI uses lessons learned as a retailer to service their customers. This insight allows them to provide the best value and the most cutting edge yarns and support available today. From world class designers like Noro, Debbie Bliss, Louisa Harding, Elsebeth Lavold, Ella Rae, Jane Ellison, Comelia Tuttle Hamilton, Jenny Watson, and Jean Moss— to some of the oldest and most respected yarn manufacturers in Europe like Sirdar, Sublime, Katia, Laines du Nord, and OnLine, KFI takes pride in supplying the best yarns and the best support from around the world.
