Receiver tube

C/O 50 sts with long tail cast on and join

Rnd 1: Knit

Rnd 2: Purl

Rnd 3 – 30 Knit even

Rnd 31 Purl

Rnd 32 Knit

Cast off

Make the scarf tube by picking up stitches along one fold edge. Pick up 3 out of 4 edge stitches along one side. Turn: Pick up and knit 3 of 4 edge stitches parallel to the 1st picked up stitches.

Join into the tube by knitting the first picked up sts. Approx. 42 stitches

Knit all rounds

Note: While knitting, if you have to start a new yarn end, knit 5 rounds and weave the yarn end into the work. (You won't be able to do this later as the scarf end will be closed.)

At the desired length, Kitchner stitch the end of the tube to close it.

Weave the yarn end to the inside.
