c8b=slip next 4 sts. on cable
needle and hold in the
back of your work. K 4
sts., then k the 4 sts. on
the cable needle.

Repeat these 24 rows until sweater measures 15" long. Break for armholes. Work in pattern on 120, 140 sts. only leaving remaining sts. on a spare needle or holder to be worked later.

Keeping pattern correct & working back and forth, decrease 1 st. on each side on every other row after the first & before the last cable as follows:

P1, k8, p1, slip, slip and knit these 2 sts. together. Work to the last 12 sts. and knit 2 together then p1, k8, p1.

Continue to decrease in this manor until there are 100, 120 sts. remaining. When armhole measures 8", put the center 30 sts. on a holder. At the neck edge only, dec. 1 st. every row 4 times. Bind off remaining 20, 30 sts. Repeat for the other shoulder. Rejoin yarn to the 120, 140 sts. and work the front as for back until armholes measure 6". Place center 18 sts. on a holder. At neck edge only, bind off 2 sts. 2 times, then 1 st. every other row 6 times. When front shoulder measures the same as the back, bind off. Repeat for the other shoulder. Sew shoulder seams together.

Arm bands:

With 16" #4 needles, pick up 80 sts. around armholes. (p 1 round, k 1 round). Repeat 2 times more. Bind off loosely.

Collar:

With 16" #7 needles, pick up 80 sts. around neck. (p 1 round, k 1 round) repeat 4 more times. Increase 10 sts. evenly spaced on the next round. Work another 10 rows in garter pattern. Collar should be approx. 3 1/2". BIND OFF VERY LOOSELY.

OPTIONAL MOCK TURTLE NECK COLLAR, with 16" #4 needle, pick up 80 sts. around the neck and work in knit 1, purl 1 rib for 3". Bind off loosely.

For a loose bind off on the collar, knit 1 st. and *pull a loop through this st. Then knit next st. and pass the loop over*. Repeat between * & *. This extra loop will give the needed ease for the collar to lay down.
