These 12 rows form the pattern st. Continue repeating these 12 rows by using color 3 & 4 for the next repeat, then start over with color 1 again. Continue rotating the colors throughout the entire sweater.

This sweater is worked in 2 pieces starting at the cuff and sewn together in the center back only for cardigan and sew center front also for pullover. The neck and bottom edges are picked up and done last.

With #3 needle and Main color cast on 31 sts. Work either 1X1 rib OR Gtr. St. rib for 7 rows. On 8th row increase to 45 sts. Change to #6 needle and follow slip st. pattern repeat AND increase 1 st. at each edge every 4th row to 79 sts. Continue in pattern until sleeve measures 7 1/2", 8", 8 1/2". At the start of the next 2 rows cast on 36 sts. (151 sts. total) Continue for another 2 1/4" / 2 3/4" / 3 1/4" and shape neck as follows: Using the main color for the gtr. St. & slip st pattern from now on and color 1, 2, 3 & 4 in that order for the st.st rows only. Follow slip st. pattern and at the same time working on 75 sts. only for back leaving the remaining 76 sts. on hold until later, at neck edge, decrease 1 st. every other row 4 times. Continue in pattern until the color sequence is completed. Bind off all sts. Return to the 76 sts. that are on hold and work the same reversed color pattern and shape neck as follows: at the neck edge only bind off 8 sts. 1 time and then decrease 1 st. every other row 8 times. (60 sts. remaining) When color sequence is completed, for pullover, bind off all sts. & for cardigan change to #3 needles and work ribbing for 8 rows and bind off.

Repeat this for the other half of the sweater. Remember to place yarn over button holes on the 4th row of the front band (of them evenly spaced). When both halves are done, sew the center back seam for pullover (or seams for pullover).

With #3 needles pick up and knit 111 sts. around neck edge. For pullover, work in the round and for cardigan, work back and forth in desired rib for 8 rows. With #3 needles pick up and knit 179 sts. around the bottom edge and work in desired rib for 8 rows. (for cardigan, make another button hole on the 4th row) If you want the sweater to be a little longer, rib for a little longer. Bind off all sts.
