## 220 Superwash Sport Fair Isle Tea Cozy

Designed by Linda Voss Plummer

Sizes 7 and 8 (8 and 9) 16" circular needles

Dp needles for i-cord

2 oz. each of 3 – 5 colors Cascade 220 Superwash Sport or 220 Worsted yarn

Darning needle

Buttons, baubles or scrap yarn for embellishment

Measurements: 20" circumference, 8" tall

Direction for 220 Worsted are in parentheses

Using 16" size 8(9) needle and color C, loosely cast on 80 (70) sts. (Can be made larger in increments of 5 sts.) Join, marking beginning of round. Change to size 7(8) needle and knit for 1". Changing to #8(9) needle, purl one row, knit one row.

Begin Fair Isle with two new colors. \*K3A, K2B\* Repeat around.

Change colors at random rates.

Work until piece measures 8." Work 3 rows purl, bind off.

Divide into thirds, bringing middle of each third to middle so that it forms a tri-corner top. Sew from right side, using a running stitch, in and out, just below the purl rows.

Using double strand, make an i-cord 30" long. Making 5 "petals," sew these through their base and sew to top (a top-knot handle).

Turn up bottom to inside, using the purl round as a turning row. Hem bottom loosely. This gives the piece more substance.
