Turning work inside out, move to 2 needles with half of work on each needle

With 2 needles parallel, insert a 3rd needle knitwise into the first stitch of each needle. Wrap the yarn around the needle as if to knit.

Knit these 2 stitches together and slip them off the needle. Knit the next 2 stitches together (same manner).

Slip the first stitch on the 3rd needle over the 2nd stitch and off the needle.

Continue until all stitches are bound off.
