SCARF
The directions for the scarf are in two forms, written and chart.

Note: Chart is worked from right to left on odd rows and left to right on even rows. Chart is repeated 2
times each row. Placement of a stitch marker between repeats of the pattern makes counting stitches
easier. There are 4 selvedge stitches (2 at each end of the row). Selvedge stitches are always worked by
slipping the first stitch knit-wise and knitting the second stitch. Then, after two repeats of chart are worked,
knit the last two stitches.
Begin pattern:
Cast on 44 stitches.
Knit rows 1 - 4 in Garter stitch.
