Special Stitches:
M1: With RH needle, lift strand between needles from back to front. Insert LH needle into the front of this stitch, knitting it through the back.

**Note:** This increase does NOT leave a YO hole; if it does, you have not knitted it through the back of the lifted loop.

Row 2: Purl into knit sts and Knit into Purl sts.

**Helpful Hints:** When working with a self-patterning yarn, always begin CO at the intersection of 2 color changes. This is especially important when working the Sleeves and the Shoes. Instructions will be easier to read, if you circle all the numbers pertaining to your size. If only one number is given, it applies to all sizes.

Simple Cardi:
