Notes: The Lattice Sampler Shawl is an asymmetric triangular shawl featuring bands of lattice lace in a Garter st field. Each of the lace bands is set off from the Garter st background by ridges of double Garter st. The shawl finishes with a wider band of large lattice lace.

This shawl begins with 2 sts. Sts are then added at the beginning of RS rows so that the piece grows into a right triangle. For a neat edge, the 1st st of each row is slipped purlwise with yarn in front. The yarn is then moved to the back for the following knit st.
When working each of the Lattice Stitch Patterns (see Sections 3, 5, 7, 9, 11 and 13), place a marker after the first 3 sts and before the final 3 sts of the row. These markers should be removed at the end of each Lattice Stitch Pattern.

The charts do not include the edge sts (the 1st and last 3 sts of each row).
