Note: This pattern create a super stretchy hat. Pattern is a repeat of 4 sts and can be made to be increased or decreased to fit any size. Pattern can be made on DPNs or switch to DPNs when working the decreases.

Begin Pattern:
Using a long tail cast on, CO 68 (72,76). PM. Being careful not to twist your sts, join in the rnd.
Rnd 1: *[K2, P2]; repeat from * to end of rnd.
Repeat Rnd 1 until hat measures at least 10" (approximately 53 rows) or desired length.

Begin Decreases:
Rnd 54: *[K2tog, P2tog]; repeat from * to end of rnd. 34 (36, 38) sts.
Rnd 55: *[K2tog]; repeat from * to end of rnd. 17 (18, 19) sts.
Rnd 56: *[K2tog]; repeat from * to end of rnd. 9 (9, 10) sts.

Note: On last rnd, on the small and large sizes, there is not an even number of sts, you will have an extra st.
Finishing:
Break end of yarn leaving about 12" of yarn to weave in.
Using a yarn needle, thread yarn through remaining 9 (9, 10) sts.
Pull yarn end tight to gather top sts of the hat. Weave in all ends.
