Pull the 12" tie-yarn up from the middle of the cardboard and tie tightly at the top of the tassel. Cut between the 2 pieces of cardboard at the bottom, creating the fringe of the tassel. Cut a 16" length of yarn, wrap it twice and tie firmly around the tassel, approximately 2" below the tie-up yarn at the top of the tassel. Bury ends in tassel with yarn needle. Trim edges to even if desired. Use tie-up end to sew each tassel to cast on and cast off edges (triangular tips) of wrap.

Finishing:

Weave in ends. No blocking required.
