**Notes:** This easy fitting sweater is knit from the bottom in pieces and sewn together. After shoulders are joined using a 3-needle bind off, the neckband is picked-up and sleeves sewn in.

Spare needle is only used for the 3-needle BO on the shoulders.

When increasing on the sleeves, use the M1 increase if a knit stitch is needed to keep the pattern as established; and use an M1P increase if a purl stitch is needed. Remember the two edge stitches on every row will be Stockinette Stitch (knit on Right Side and purl on Wrong Side) to make seaming easy.
