YO = Yarn Over

BRK = Brioche Knit (Knit the slipped stitch and its “yarn over shawl” together as one stitch. In this pattern, this stitch is just K2tog. Always be sure you are knitting the slipped stitch together with the yarn over that crosses over it.

BRP = Brioche Purl (Purl the slipped stitch and its “yarn over shawl” together as one stitch. In this pattern, this stitch is just P2tog. Always be sure you’re purling the slipped stitch together with the yarn over that crosses over it.

yfsl1 = Slip 1 stitch with yarn in front as if to purl (Then, when the yarn is left in front and the next stitch is knit, the resulting yarn over becomes a “shawl” over the slipped stitch.)

Begin Pattern

Holding the US 4 and 7 needles together, CO 120 sts with MC. Join to work in the round, being careful not to twist, place marker for start of round. Using the size 7 needle, knit 1 rnd.

Setup Round: *yfsl1, K1, repeat from * to end of round.

Switch to US 4 needle.

Rnd 1: *P2tog, Sl1, YO, repeat from * to end of round.

Rnd 2: (The yarn is in front from the previous round.) Sl1, K2tog, *yfsl1, K2tog, repeat from * to end of round.

Repeat rounds 1 and 2 until piece measures 1" from beginning. End after a knit round.

Add CC.

Note: When changing colors to begin a new round, the color you just finished using should hang in front of your work and to the right of the color you're about to pick up.

All purl rounds will be in CC, while knit rounds continue to be worked in MC until you reach the edging.

Repeat rnds 1 (in CC) and 2 (in MC), alternating colors every round, until piece measures 17" from beginning edge.

Drop MC.

With CC only, work rnds 1 and 2 until single color brioche measures the same (almost 1") as the MC single color brioche at the beginning edge, ending after a brioche purl rnd (Rnd 1).

Switch to US 7 needle.

Work 1 brioche knit rnd (Rnd 2).

Knit 1 rnd.

Finishing:

BO loosely. Weave in ends and block gently to straighten stripes
