Dec round 9: (ssk, k2tog) 3 times.

Cut yarn and weave through remaining sts.

Use an extra large pom pom maker to make pom pom.

Sew pom pom securely to hat.

ENJOY!

To make a DIY pom pom. . .

Cut two 6" circle cardboard templates. Cut a round hole in the middle of them (see illustration). Lay the templates together.

Wind yarn through center hole and around both templates as they are held together. Continue to wind almost entire ball of yarn for an extra full pom pom.

Put the scissors in between the two circles of the cardboard and cut through the wound yarn.

Wrap a piece of yarn between the two templates and knot it firmly around the pom pom. Once the pom pom is secure cut out and remove the cardboard. Fluff pom pom and secure to top of hat.
