Customize It!

The ripple stitch pattern used is a multiple of 14 stitches plus two for starting turning chain, so if you are getting gauge, approximately one set of the stitch repeat is equal to 4 inches. Knowing that, you can adjust the length of your scarf quite easily. Width is also easily changed – it all depends on how many rows you stitch with each color. I encourage you to make a gauge swatch of 3 to 4 stitch repeats, so you can customize the color usage in pattern to fit the width you desire.

Begin Pattern:

Ch 240

Row 1: 2 dc in 3rd ch from hook (ch 2 counts as part of 1st dc), * 1 dc in each of next 3 ch, [over next 3 ch – dc3tog] twice, 1 dc in each of next 3 ch, [3 dc into next ch] twice, repeat from *, ending last repeat with 3 dc into the last ch. Turn.

Row 2: Ch 3 (counts as 1st dc here and throughout pattern), 2 dc into first st, * 1 dc in each of next 3 sts, [over next 3 sts – dc3tog] twice, 1 dc in each of next 3 sts, [3 dc into next st] twice, repeat from *, ending last repeat with 3 dc into top of turning ch. Turn.

Repeat Row 2 until scarf is desired width. Fasten off, block flat to measurements, and then weave in all ends.

*To match the color pattern of the scarf pattern as pictured, do the following:

Rows 1-4: (MC) A – #887 Wasabi

Row 5: Accent Color – #892 Space Needle

Rows 6-9: (MC) B – #885 In The Navy
