The first and last stitches on every row are selvedge stitches and are worked as follows: knit the first stitch, work as specified in instructions to last stitch, slip the last stitch purlwise with yarn in front. This will make a chain edge selvedge.

When you come to the double YO on the WS, knit one st and purl one st in the YO.

When adding new yarn, do not join at the edge since this will disrupt the chain edge. Join new yarn after the 6th stitch of the row at the end of the Garter St edging.

Lapghan Bottom Border:
CO 248 sts. Do not join; turn to work a WS row. Knit to last st, sl1 wyf. Work in Garter St (knit every row) slipping the last st (see Notes), for 9 rows ending with a WS row. Turn to work RS. There should be 5 garter ridges on the RS.
Row 1 (RS): K8, place market (pm), knit to last st, sl1 wyif.
Row 2: K6, p2, pm, purl to m, sl m, p2, k5, sl1 wyif.
Repeat last 2 rows once more.

Next Row (RS): K8, slm, work Row 1 of Flower Lace over 232 sts to m, slm, knit to last st, sl1 wyif.

Continue even keeping 8 Lapghan edge sts on each side and Flower Lace over 232 center sts until 20 rows of patt are completed; then work 10 rows of second Flower Lace repeat ending with a WS row.

Lapghan Body:
Note the Body of the Lapghan has only 1 repeat of the Flower Lace at each edge. That is, the section between ** in the pattern stitch is only worked once before the “end with” sts are worked.

Set up Row 1 (RS): K8, slm, work Row 11 of Flower Lace st over 24 sts, pm, knit 184 sts, pm, work Row 11 of Flower Lace over 24 sts, slm, knit to last st, sl1 wyif.
