Gauge:

4 dc clusters sts = 4"/ 6 rows = 3.5" (10 cm) Unblocked, in granny stitch (dc cluster) pattern

Notes:

To carry the color change up each round, after changing color, lay working yarn forward and work the first 2 stitches of the next round over the dropped color. This is will allow it to be in the correct location for the next use.

The third bar of a half double crochet is the horizontal bar/ loop directly below the back loop, on the back of the stitch. Insert hook from top down into this loop and finish stitch as usual. (Working in the third bar allows the front and back loops to be pushed forward, creating a ribbing like texture).
