Assembly:

Place the Witchy Topper Cone in the center of the Witchy Topper Base. The edge of the cone should align with the outer rim of Round 3. Using the long tail from the Witchy Topper Cone, sew the cone to the base by stitching through the front loops of the last round.

Fasten off and weave in ends.

Finishing Touches:

Using scrap purple yarn (or your desired color), such as #257 Violet Indigo, surface stitch around the base of the Witchy Topper Cone. Once you complete the round, repeat the surface stitch in the same stitches to create a bolder band.

FO and weave in ends.

With scrap yellow yarn (or #877 Golden), find the center front of the hat. Create the buckle by sewing over the top, bottom, and across the surface stitches – approximately 2 stitch lengths – repeat this 4 times to form a rectangular buckle
